

How to register your athletes for The Gap Little Athletics

Registration can be made as follows:

- Through our web site: <http://www.thegaplittleathletics.org.au>
- Using this link: <https://registration.resultshq.com.au/CentreRegistration/CentreInfo/06e772b7-8f02-4d2d-a176-47e3b65045a8/>
- Via the LAQ web site – although that is a bit convoluted and will direct you to the above link.

<p>Whatever method you use you should arrive at this screen:</p>	<p>Click on the Register button and you should be here:</p>
	

1: If you have **registered with Little Athletics before:**

- Login using your email as your username (the one you gave us in your most recent registration)
- Enter the password you were using for ResultsHQ. If you don't know it then click on "I've forgotten my password" and you will be sent a new one.
- Once logged in you should see your athlete's information – you will be able to make changes as necessary (age group should be automatically updated).
- Follow the 'bouncing ball' to complete the registration.

2. If you are **new to Little Athletics**

- Click "Create New Family Account"
- Process by following the registration instructions.

Notes:

- Use your existing account wherever possible – adding a second account for the same family can cause some issues.
- If you are registering Tiny Tots only (i.e. no under 6-17 athletes) you do not need to pay the Family Levy. See the Registration information on the web page for the applicable Discount Code.
- The login details (whether you are a new registration or existing) are also your path to the wonder world of ResultsHQ. This is where we will record all of your athlete's results during the year and they can get certificates, graphs, averages, PB count et al.
